MEMORANDUM FOR:

Directorate for Administration Office of Training and Education

FROM:

William H. Webster

Director of Central Intelligence

SUBJECT:

Recognition for Distinguished Service

- l. It came to my attention after I singled out four distinguished Agency employees for their tenure and excellent service records during our 40th Anniversary Celebration that your own service in intelligence is indeed remarkable.
- 2. By serving with distinction in this Agency's proud predecessor, the Office of Strategic Services, and continuing today to teach and educate our current employees you are a distinct link between past and present.
- 3. We are fortunate to benefit from your experience. You should reflect with pride on a rich mixture of military service, private enterprise and an intelligence career that collectively have benefited this nation.
